WEST POINT CITY

Mayor's Message

Fall is a great time to live in Utah. The colorful leaves, cool nights, and typically great weather is what makes us all appreciate the four seasons. Also this fall we will get the opportunity to participate in our general elections. With the various media outlets these days we will no doubt get bombarded with commercials and news stories trying to get each candidate's message out to the people. If you are like me, it can be frustrating trying to look beyond the politics and really determine who will do the better job in their respective positions. Many Americans have sacrificed their lives so that we can have this right to elect our local leaders and leaders of this great nation. Regardless of your political affiliations I encourage all of you to be a part of the process, register to vote if you have not done so already, be informed on what the various candidates stand for and VOTE!

As a reminder we have City Council meetings the first and third Tuesdays of every month. At all our meetings there is a time set aside for public comment and we welcome hearing the comments or concerns that you might have. Also with school being back in session I would hope that all of us can take a little extra care and caution driving by our schools and those areas where the kids are walking to or from school. Let's keep our kids safe this school year.

As always if you have any questions comments or concerns that you would like to let me know about please contact city hall and I will get back with you as soon as I can. I am very fortunate to represent so many great residents in such a great city.

Erik Craythorne

Recreation Late Fee

With Jr Jazz Basketball registration coming we want to inform you that we will be enforcing the late fee for late sign ups on all rec programs.

Some of the problems created by late registrations include:

- drafts are set back
- kids miss drafts, so they are assigned to teams, defeating the draft purpose
- uniform counts are off
- delivery of uniforms is delayed

With the recreation program continuing to grow, we ask for your understanding and help by signing up on time.

Thanks West Point Rec Dept.
