PARTY

AT THE

POINT

FRIDAY, JULY 4

**LOY BLAKE PARK
550 N 3500 W**

MAYOR'S MESSAGE

Welcome to West Point's Party at the Point 2025—a celebration truly like no other! We are honored to have you here as we come together to mark the birth of our great nation. We hope you find joy in celebrating with us this year. As we gather in unity, we witness the true spirit of patriotism and community come alive. There is something for everyone to enjoy—young, old, and everyone in between—and it's this togetherness that makes our city so special.

This holiday holds a special place in my heart. As I gather with my own family and friends to honor our nation's independence, I am filled with a deep and abiding sense of pride and gratitude. Our are adorned with the colors of the flag and our parks are alive with the laughter of children, the smiles of neighbors, and the shared joy of celebration. It is a moving reminder of the strength of our unity and the dedication of our residents.

Today, as we celebrate, let us also pause to remember and honor the countless sacrifices made by those who came before us and who currently serve. Their courage and vision paved the way for the freedoms we cherish today. Let us recommit ourselves to the principles upon which this nation was founded—liberty, justice, equality, and the enduring hope of a brighter future for all.

As your mayor, I am deeply grateful for the opportunity to serve such a remarkable and resilient community. I encourage you all to enjoy the festivities, make lasting memories, and take pride in being part of something bigger than ourselves. Have a joyful and safe Fourth of July. Be kind, look out for one another, and may we always stand united in the values that define us as Americans. Happy Independence Day, West Point!

Sincerely, Mayor Brian Vincent

WEST POINT MILITARY MEMORIAL COMMITTEE

How about a new Family Tradition?

Why not make it annual trek, during the Party at the Point Fourth of July activities at the Loy Blake Park, to also visit the Military Memorial. Visit for a moment with the many veterans listed on the memorial walls who are or represent our kindred and friends who represented us, serving in one or more of the wars in which the United States had a presence. Those listed on the wall could have been a brother or sister, uncle or aunt, parents or grandparents, or maybe just a dear friend. If nothing else, remember their sacrifice for us. I can't think of a better family tradition to begin now than to honor them with an annual visit.

Speaking of the Memorial, it doesn't hurt to have an extra set of eyes to keep the Memorial looking great. If you see a tattered flag we might have missed, let us know. Call the city or the number listed on the Committee's article in the newsletter you receive with your utilities billing.

On a different subject: we need to be able to recognize your service by having you ride the **Veteran's Float in the parade**. Join us at 7:45 AM on the 4th of July at the LDS Stake Center (2300 W 550 N). We are normally located just outside the Stake Centers door. We will be looking for you.

We also have a table set up just south of the Main Stage at the park where we can answer any of your questions regarding subjects important to former military personnel. And if we can't answer the question, we know where to go for an answer. Stop by, if only for a quick "Hello."

Military Memorial Committee Chair
