	4. There shall not be conducted on the premises any business of selling stocks of merchandise, supplies or products provided that incidental retail sales may be made in connection with other permitted home occupations; for example a single chair beauty parlor would be allowed to sell combs, hairs spray and other miscellaneous items to customers. However, a dressmaker would be required to do only custom work for specific clients and would not be allowed to develop stocks of dresses for sale to the general public.
	5. There shall be no exterior storage on the premises of material used in the home occupation including explosive material. No activity shall be allowed which would interfere with radio or television transmission in the area; nor shall there be any offensive noise, lighting, vibration, smoke, dust, odors, heat or glare noticeable at or beyond the property line.
	6. Commercial suppliers deliveries can only be made once per week and shall not restrict traffic circulation.
	7. Parties for the purpose of selling merchandise or taking orders shall only be held 4 times per month.
	8. Notwithstanding any provision contained herein to the contrary, garage, basement, yard or other similar sales are permitted only 2 times per year and each sale shall not last more than 2 consecutive days.
	9. The allowable number and size of vehicles/equipment used by the home occupation shall be determined by the Planning Commission. Only one over 22 ft length vehicle shall be used for the home occupation. Vehicles over 22 ft in length including trailers shall not be parked on the street or within a yard abutting a street.
	10. The use shall be conducted primarily within the dwelling site and carried on only by the bonafide resident thereof and no others.
	11. A permit for a home occupation is valid for only the original applicant and is not transferrable to any resident, address or other occupation. Upon termination of the applicant's residency, the home occupation permit is null and void.
