2022 ELECTION

MAYOR'S MESSAGE

It is hard to believe that we are in the month of November already - it seems like this year has flown by, with every month on the calendar full of important events and activities.

With both the bi-annual Cemetery Cleaning and Fall Clean-Up happening this past month, the City is looking as good as ever. Thank you to all that took advantage of these opportunities and worked hard to beautify West Point.

We also had our yearly Halloween Carnival put on by our West Point Royalty with help from the West Point Youth Council. It was another great success and I want to thank all those

involved for the hard work, time, and effort that went into organizing the event and also to all that attended! We are lucky to live in a community filled with people willing to volunteer their time to provide a fun and safe activity for our youth.

November is not a month short on events either. Election Day is on November 8th this year. This is a day that I feel truly separates our wonderful country apart from the other countries of this world we live in. This is a day allowing us to practice the principles that our country and Constitution was built upon. We have the opportunity to CHOOSE the leaders that will lead us, guide us, help us, and most importantly, represent us. Unfortunately,

there are some that take this right and privilege for granted. I feel for them and prayerfully hope they will come to understand the amazing opportunity this really is. Please take some time to consider the individuals that have willingly "thrown their hat in the proverbial ring" and chosen to run for a public office. Being in the public service arena is not always easy, or the most enjoyable at times, but I am truly thankful for those who are willing to serve and work hard to represent me and my values. Take the time to research and get informed, and after you have decided on those who most closely represent you, please take the effort cast your vote. I promise you that you will have a feeling of fulfillment to know you were a part of this revered process.

In addition to electing individuals for various positions, there is also a Davis School District Bond proposition on this year's ballot. I would like to encourage you to learn more about this bond by visiting www.dsdbond.org.

This month we will also have the chance to commemorate Veteran's Day on November 11th. Not enough can be said for this distinguished group of individuals. We owe our incredible way of life in this country to them. They have fought for and protected our cherished freedoms - freedoms that have provided us all the right to life, liberty, and the pursuit of happiness. Because of them, we have the right to live as we choose. Because of them, we have the ability to choose our type of education, our professions, our

livelihoods, and to provide for our families in a manner that we see fit. We have the right to worship as we choose, the privilege of electing our leaders of government (as I mentioned above), and the ability to celebrate all the wonderful differences that make our country so great and inclusive. May I just say to all that have ever worn the uniform and served in our Armed Forces, providing that blanket of security we all treasure, thank you from the bottom of our hearts. We are ever so grateful for you and your sacrifices.

And of course, this month we will get to celebrate Thanksgiving once again! I have always enjoyed this time for gathering with family and friends. There is enough time the rest of the year to worry about everything else that is going on in the world, so I hope we can all take advantage of this opportunity to remember and reflect on all the things we are thankful for! I hope you have a great holiday.

I am so thankful for our amazing city and for all of you. It is truly the best of the best that live here. I appreciate how kind everyone is to each other and the comradery that is felt throughout West Point.

Thank you also to those that reach out by email, letter, or with a phone call to discuss issues or concerns within our city. I sincerely appreciate the opportunity to talk with you about them. If there is anything you would like to discuss, please feel free to reach out anytime.

- Mayor Brian Vincent

YOUTH COUNCIL UPDATE

October was a busy month for the West Point Youth Council! Many of our Members helped out at the North Davis Fire District's Open House by handing out refreshments. We also had a lot of fun helping set up for Utah Share's "Walk to Remember" event. Utah Share is an amazing organization that helps support families of pregnancy and infant loss. We were also very excited to help the Miss West Point Royalty with the Halloween Carnival at West Point Junior High!

Thank you for your support of the West Point City Youth Council!
- Sariah Richins, Youth Council City Recorder

CODE ENFORCEMENT MESSAGE

WINTER PARKING

Winter Parking regulations are in effect from November 1st to March 1st of each year.

WPCC 10.05(H)(1)&(3) states:

"No person shall park a vehicle on any street for any period of time between the hours of 1:00 a.m. and 6:00 a.m. of any day, commencing the first day of November of each year and up to and including the last day of February of the following year."

This regulation is designed to keep streets free of vehicles so that snow plows can efficiently clear the roads without obstructions. Code Enforcement and the Davis County Sheriff's Office will be patrolling the City and issuing compliance notices and citations for violations.

Please also be aware that pushing or blowing snow onto public streets is prohibited.

As you clear snow, please ensure that the snow stays on your property and is not blown or plowed into the street.

Your cooperation in helping the City handle another winter is greatly appreciated!

Please call or email Bruce Dopp, Code Enforcement Officer at 801-776-0970 or bdopp@westpointcity.org. Complaints may also be submitted via the City website at www.westpointcity.org

RECREATION

A GREAT BIG THANK YOU TO OUR VOLUNTEER COACHES!

This Fall, West Point City Recreation has sponsored four youth programs: WFFL Football, Fall Soccer, Volleyball, and Junior High Girls Jr. Jazz Basketball. It would be impossible to run quality programs without the help of approximately 75 volunteer coaches. We appreciate the countless hours and the effort our coaches put in for all West Point City Recreation programs throughout the year.

VOLUNTEERS DO NOT NECESSARILY HAVE THE TIME; THEY JUST HAVE THE HEART.

Contact Kelly Ross @ 801-529-3352 or Karly Norwood @ 801-564-7701 for questions regarding Recreation Programs!

Register for all activities online @ www.westpointcity.org

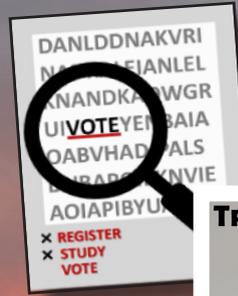

BUSINESS LICENSE RENEWALS DUE DECEMBER 31st

Reduce your stress and take care of renewing your business license before the busy holiday season! Similar to last year, the renewal forms will be emailed to the email address on file. Please watch for them starting the first week of November. When renewing online, corrections can be made if needed as well as any fees (if applicable) paid. If you do not receive your renewal letter, please email khansen@westpointcity.org to request a copy.

Don't delay! Late fees will be added January 15th.

DAVIS SCHOOL DISTRICT BOND PROPOSITION

In November 2022, Davis County voters will decide on a new proposed building improvement and construction bond for Davis School District.

If passed, the Building Generations Bond will contribute \$475 million dollars to build new a junior high and elementary school in or near West Point, rebuild Bountiful Elementary and Sunset Jr. High, renovate and expand seven schools and smaller projects to improve school security, air-conditioning, restrooms, HVAC and plumbing systems, playgrounds, gymnasiums, auditoriums and classrooms throughout the district.

OFFICIAL BALLOT PROPOSITION

Shall the Board of Education (the "Board") of the Davis School District, Utah (the "District"), be authorized to issue General Obligation Bonds in an amount not to exceed Four HundredSeventy-Five Million Dollars (\$475,000,000) (the "Bonds") for the purpose of financing all or a portion of the costs of acquiring land and equipment, constructing new schools and renovating and improving existing facilities; said Bonds to be due and payable in not to exceed twenty-one (21) years from the date of issuance of the Bonds? Property Tax Cost of Bonds: If the Bonds are issued as planned (and without regard to the existing taxes currently paid for existing bonds ("Existing Bonds") that will reduce over time), a property tax sufficient to pay debt service on the Bonds will be required over a period of twenty-one (21) years in the estimated average amount of \$269.10 per year on a \$534,000 primary residence and in the estimated amount of \$489.27 per year on a business property having the same value. As noted above, the District has other Existing Bonds for which a tax decrease would occur upon the retirement of the same, which may not occur if the proposed Bonds are issued. However, the combination of the scheduled retirement of the Existing Bonds and the issuance of the proposed Bonds, as planned, is expected to result in no property tax rate increase (\$0.00) on a primary residence or business property within the District from current property tax levels. The foregoing information is only an estimate and is not a limit on the amount of taxes that the Board may be required to levy to pay debt service on the Bonds. The Board is obligated to levy taxes to the extent provided by law in order to pay the Bonds. The amounts are based on various assumptions and estimates, including estimated debt service on the Bonds and taxable values of property in the District.
